The SAC functions as an advisory board to the principal of the school and represents the view of our wider school community.

We therefore hope to serve as a bridge for you towards the school, when you may need help addressing your thoughts, needs or any issues.

The school does have a policy in place for a progressive resolution of concerns from the parents about their children.

- Parents should first approach the teachers and discuss their concern(s).
- If the parent and teacher cannot reach a satisfactory result, the parent should then contact the Head of Early Years, Head of Primary or Head of Secondary, whichever level is appropriate for their child/children.
- In the event a satisfactory resolution cannot be reached at this level, the parents can then contact the Principal.
- If parents are still dissatisfied, they can approach the SAC with their concerns/issues

* If parents would like to learn more about this policy, they can get in touch with SAC and we will be happy to explain more.

We are there for you and happy to listen and be of assistance where we can. Here is our email address or just approach one of our members 😊

We look forward to an exciting and productive year filled with positive energy!

SAC 于 9 月 29 日举行了例会。在会上，由上一届成员进行了去年的活动情况汇报，并完成了 2020-2021 年度成员的竞选。

我们在此对上一届成员特别是在上学期期末特殊时期的服务工作，表达诚挚的感谢。祝愿各位一切顺利。

新一届 SAC 委员会成员如下：

Julia Hoferichter, Philip Billing, Rashel ten Holder, Marisol Negro, Neta Ronen, Michael Bosley, Ella Pan, Anjali Bijani, Marta Senkyrova, Jenny Jin

SAC 的职能是为学校校长提供意见和建议，并代表广泛的学校社群。

因此我们立志于为您和校方直接建立桥梁，成为你向校方提出需求，意见和建议的渠道。

关于家长与校方能高效的沟通学生情况，学校有相关的流程。

- 家长首先与班级老师沟通具体情况
- 如与班级老师后未有进展，需与对应的幼儿园，小学或中学校长沟通情况
- 如与相关负责人未能达成一致，可以联系总校长
- 如仍未能得到满意的回复，可与 SAC 成员反应情况
- 如需获取相关的流程规则，请与 SAC 成员联系，我们将尽力解答。

我们热衷于聆听您的反馈，并乐于协助。以下是我们的邮箱地址，也可以与我们的任何一位成员沟通。 sac-nbis@outlook.com

我们期待着今年将是正能量满满，积极有效的一年。

Primary Assembly

6A – Kieran, 6B – Carol, 5A – Adam, 5B – Nana, 4A – Hanna, 4B – Angela

3A – Jessica, 3B – Min-Jae, 2A – Daniel W, 2B – Candice, 1A – Yulia,

1B – Martina, 1C – Angel

Well done! These children have worked hard to earn house points by always doing their best and upholding our school values. Well done!

This week the theme of our assembly was achievement. We discussed what achievement was and how it is different for everybody.

Achievement is ... something accomplished, as through great effort, skill, perseverance, or courage.

Welcome to Mathematics Key Stage 4 and Key Stage 5

Since the beginning of the term, students from years 10 to 13 have been actively engaged in the learning process. They have been developing new skills: numbers in year 10, curved graphs in year 11, functions in year 12 and trigonometry in year 13. Students have been working collaboratively and independently to solve a variety of problem-solving tasks which will prepare them to confidently tackle their end of year exams including IGCSEs for year 11, and AS & A Levels for year 12 and 13.

During after school support lessons, year 12 and 13 students have the opportunity to work on engaging problems, productive struggle, discuss their thinking, and learn from their mistakes as they aim to achieve mathematical proficiency.

Social Studies Students Go Global

Year 9 Globalization study

Year 9 took part in a debate discussing the advantages and disadvantages of Globalization.

They learned that globalization may be good for businesses and economies, however it may not benefit the environment and some poorer parts of the world.

Year 7 Poverty study

As part of the Social Studies course year 7 have been studying poverty.

Francesca was relative poverty and Tina was absolute poverty. The class took part in an interactive activity using key vocabulary. The class learned that there are two types of poverty and the difference between them.

To follow on from this activity, Year 7 are now doing a case study about poverty by comparing two different countries.

ECAs are Back and more Popular than Ever!

Monday saw the start of the first ECAs of the year. The children (and adults) had an amazing time developing their creativity in Lego Club, logical thinking in Chess Club and fun and fitness in Cheerleading Club.

Wednesday's ECAs were full of excited children taking part in a range of creative activities in Drawing Club and Beading Club. In the ever-popular Minecraft Club, the children were using their creativity and thinking skills – I can't wait to see what they have created. Lower

Primary children were also busy pushing themselves to do their best in Running Club.

DONATION

We'd like to thank our parent Chu Fenglei for his kind and thoughtful donation to the Music Room – a beautiful Grand Piano! This piano will greatly help our students in their music learning and related activities! It has been an honor to receive this gift from you!

And news just in ... Representatives from Volkswagen Ningbo HR Dept. paid us a visit today, exploring the possibility of admission for the children of newly arriving 'Foreign Experts.' Business is on the move again!
