Dates to Remember

November 19-20	Holiday (No School)
December 11	Talent Show
December 15	Upper Primary Drama
December 16	Winter Concert (LP & EY)

Auditions – 23rd of November, 12.30 - 2 p.m. – Music Room

Performance – 11th of December, 2 p.m. – Auditorium

One of the most exciting moments of the academic year is coming soon! Students from year 4 to year 13 are warmly invited to share their passion and talent with the community.

Students should choose and prepare their performance independently; however, they are welcome to ask Miss Min (Music teacher) or Miss Nausicaa (Drama teacher) for any help or suggestions. Acts should last between 1 to 2 minutes. Solo and group performances are welcome. Auditions will take place on the 23rd of November, from 12.30 to 2 p.m. in the Music Room.

Please scan the QR code or send an email to nausicaa.giavarra@nbis.net.cn or min.cha@nbis.net.cn to sign up.

We are looking forward to seeing many new and well-known NBIS talents!

THE CAMBRIDGE PATHWAY Information Sessions

THE CAMBRIDGE PATHWAY information sessions were successfully held in NBIS on Thursday, Nov. 12th, 2020. The sessions were delivered in both English and Chinese.

A PowerPoint presentation about The Cambridge Pathway from Pre-School to University was delivered by the Principal. A Teacher Panel from Primary and Secondary school explored the issues of interest and responded to the questions raised by the parents.

NINGBO BRITISH INTERNATIONAL SCHOOL

浙江宁波英伦外籍人员子女学校

The parents in the sessions left with a much better understanding of the Cambridge Curriculum and how NBIS implements the programme. Parents expressed their appreciation and the hope that more sessions will follow!

Primary Assembly

2A - Daniel	2B - Emilia
1A - Tim	1B- Sara
1C - Stylianos	

Well done! Keep demonstrating our school values!

Y4 Class Assembly

This week saw the first of our Year Group Assemblies. Everyone in Year 4 worked together to deliver a fantastic assembly. Each stage of the assembly was presented by the students. Year 4 also entertained us with a song they had been learning in music. Mr. Potts prepared a video of the learning that took place during Maths Week. What struck everybody as we watched it was: the level of challenge, the variety of activities and most of all the engagement and enjoyment of the children. Thank you for organising it Mr. Potts. Mr Thompson and Miss Yan launched the Year Book Cover Competition open to children in Y4-6. So, get designing! After such a great assembly, we are now all looking forward to the Year 5 Assembly!

STUDENT COUNCIL'S LOCK-IN

One of our most memorable activities is undoubtedly the Lock-in. Student Council's Lock-in took place on November 13 and ended the next morning at 10:00am. In total, 61 students and 6 teachers attended the Lock-in. This is essentially a giant sleepover in which students get to spend the night at school with all of their friends.

The lock-in started at 3:35p.m.; all the students gathered in Mr. Barraclough's room where Ms. Burke-Green went over the rules and the schedule for the Lock-in. Students then collected mats and started setting up their rooms for the night.

At 4:30p.m., Johnny in Year 13 and Maverick in Year 8 hosted the sports activities that they organised together at the school gymnasium. All the students participated in the fun games which included dodge ball and capture the flag. Everyone had a great time and it got quite competitive!

NINGBO BRITISH INTERNATIONAL SCHOOL

浙江宁波英伦外籍人员子女学校

After playing the games, it was time for dinner! The students started heading out for dinner at 5:30p.m. The teachers accompanied the students to Subway and Yidiandian. All the students were divided into two groups. Year 7 to Year 9 went to get dinner from Subway first, under teacher supervision. In the meantime, Year 10 to Year 13 students proceeded to Yidiandian also under teacher supervision. Each group had about 30 minutes to eat until they switched locations.

After having a delicious dinner, everyone headed back to school to play more exciting games. The students had the option of playing board games or participating in a quiz. The students could choose from various board games which included Mafia, Uno, Monopoly, Cluedo, Taboo, Headbands and more!

By 9:00 p.m., students changed into their pyjamas. The Student Council's Snack Shack was opened for those who wanted to enjoy some snacks, such as popcorn, during the movie. At 9:30p.m., students had the option to watch either a scary movie or a non-scary movie.

At 12:00 a.m. it was time for bed! The students had to turn off the lights and keep quiet so those who wanted to sleep could get some rest.

The next morning, it was quite a shock that most students were awake around 6:00 a.m., when they actually needed to be up by 9:00am. The students were told to clean their rooms where they spent the night and to get dressed.

NINGBO BRITISH INTERNATIONAL SCHOOL

浙江宁波英伦外籍人员子女学校

The Student Council organised a nice breakfast buffet in Mr. Barraclough's room. They prepared bread and jam, oreos, non-dairy milk, chocolate muffins and fruits for the students to enjoy. As students ate their breakfast, relaxing jazz music was playing in the background. Eating an appetising breakfast with your friends was the perfect way to start the day!

At 10:00am the lock-in sadly came to an end. The Lock-in went smoothly and was a great success!

-Ashmi Bhaisora
(Public Relations Officer)

WHAT DID YOU ENJOY
ABOUT STUDENT COUNCIL'S
LOCK-IN?

Tithi Muljani (Year 8): *"My lock-in experience was amazing, this was my first time going to the lock-in, and my favourite part about the lock-in was watching the movie. The ending was very surprising!"*

Chayse Shirley (Year 8): *"This is my first ever lock in so I wasn't sure about what to expect. However, it did not disappoint. Lock-in was an amazing experience and something that I have never experienced before. My favourite thing about it was when we were in the rooms talking with friends. I also really enjoyed the scary movie that gave me chills down my spine."*

Lucia Brucoli (Year 12): *"I loved the lock-in, it was a great first-time experience for me! The Student Council did a great job in keeping it relaxing but interesting with the various sports activities and movies. My favourite part was Friday evening. Between playing board games and chatting, I feel like my classmates and I have gotten a lot closer."*

Chloe Chng (Year 11): *"The lock in experience was awesome and brilliant! Everything was so fun! I got to make new friends. My favourite part was midnight when everyone in the room was chatting and being annoyed with mosquitoes so everyone basically slept with their blankets over their heads."*

ASU and SCAD Admissions Officers Visited NBIS

Last week NBIS welcomed admissions officers from two American universities:

The Arizona State University and the Savannah College of Arts and Design

Information sessions were organised for NBIS students in year 10, 11, 12 and 13 on Monday November 9th and Friday November 13th. Both admissions officers introduced their Universities to our students; their campus locations, the majors offered, the application processes and the scholarship opportunities

Recognised by U.S. News & World Report as the country's most innovative school, Arizona State University is where students and faculty work with NASA to develop, advance and lead innovations in space exploration.

ASU's nationally ranked programs inspire the top-qualified graduates and have positioned the university as a "top-tier" recruiting and hiring institution by more than 50 of the country's top corporations, according to professional recruiters and rankings services around the world.

During the presentation, our students learned that to be admitted to ASU, they would need to fulfill the following requirements:

1. Course competency:

- ✓ 4 years math
- ✓ 4 years English (non-ESL/ELL courses)
- ✓ 3 years lab sciences (1 year each from biology, chemistry, earth science, integrated sciences or physics)
- ✓ 2 years social sciences
- ✓ 2 years second language
- ✓ 1 year fine arts.

NINGBO BRITISH INTERNATIONAL SCHOOL

浙江宁波英伦外籍人员子女学校

2. Aptitude requirements:

- ✓ ACT 22 (24 nonresidents) or SAT 1120 (1180 nonresidents)

Students will also need to complete an application form and submit their secondary official transcripts to ASU admissions office

The Savannah College of Art and Design was founded in 1978 to provide college degree programs not previously available in southeast Georgia and to create a specialised professional art college to attract students from throughout the United States and abroad.

"The introduction of the Savannah Art University was a great opportunity for us to know more about creative courses and careers. I personally quite enjoyed the presentation and became very interested in some of their courses such as 'the makeup and the luxury managing and marketing'. I was very impressed and I look forward to knowing more about this university and their summer classes opportunities." **Jacqueline, Year 11**

NINGBO BRITISH INTERNATIONAL SCHOOL

浙江宁波英伦外籍人员子女学校

"The presentation made me realise that studying all four years in a big metropolitan city isn't necessarily the most beneficial. SCAD offers learning not only in Atlanta, but also in the small French town of Lacoste, which many said was inspiring and beneficial to their learning. I had never thought of the full benefits of learning abroad." **Lucia, Year 12**

SCAD virtual presentation was a success and many of our students especially those studying Art and Business subjects, found this session very informative. They learned a lot about the outstanding creative courses and career opportunities.

NBIS University guidance counselling is really about inspiring our students, connecting them to admission officers and making sure they have all the support they need as they transition to their next academic level.
