Dates to Remember

March 12	Primary Science Fair
March 16 + 17	Primary Parent Teacher Conference
March 16	Secondary Options Meetings for Y9+11
March 19	Early Years Sports Day
March 26	Chinese Culture Day
March 31	Battle of the Books

Welcome to NBIS

2021 Chinese Culture Day

< Together & Better >

Friday, March 26th, 2021

Please scan the QR code below for detail.

We are sorry that this year parents cannot be on campus to share in this wonderful event. We hope parents will understand that we must follow government policy with regard to health security.

However, you can be sure that we will publish plenty of photos and video footage!

Nursery B: Feelings Theme

Feelings theme can help children identify and name their emotions.

Throughout each day, children experience a wide range of feelings.

Sometimes they experience the feelings from hour to hour or sometimes even from minute to minute!

We use this theme to teach the children how to react to their emotions as well.

Library time in the Secondary School

Every week the year 7-10 English classes visit the library.

What is the purpose of visiting the library?

- To encourage reading by bringing students and books together
- To find various genres of books that they would not normally have access to.
- To establish reading time as a class
- To open up a dialogue about reading

Expectations:

1. Students must borrow a book from the library every 3 weeks.
2. Students should read at least 3-5 books per semester.
3. Students should be encouraged to read for at least 20-30 minutes each evening and for longer at the weekend.

NINGBO BRITISH INTERNATIONAL SCHOOL

浙江宁波英伦外籍人员子女学校

How can parents encourage reading at home?

Parents could read with their children for at least twenty minutes each day. Even if children are older and know how to read independently, reading aloud to them offers many positive benefits, including:

- Building a wider vocabulary
- Establishing strong listening skills
- Developing social-emotional skills, such as showing empathy

Set aside independent reading time. Make sure that your teenagers have a quiet, well-lit space where they can read without being disturbed.

Allow your teenagers to read books that interest them. These may include fiction books, nonfiction books, plays, comics, graphic novels, or other reading materials covering a wide range of topics.

What's in store for the library next year?

The English department is working on ordering more books for students to enjoy next year!

IGCSE Travel and Tourism

The Year 11 Travel and Tourism class have been learning about marketing and promotion in the tourism industry. This unit covers why marketing and promotion is important and how it is carried out; market segmentation; the marketing mix - the 4P's (Product, Price, Place and Promotion).

Pictured below are our year 11 Travel and Tourism students. They are doing a Paper 2 practice exam. Paper 2 always has four questions, each broken down into a subset of vocationally related sub-questions. Paper 2 is based on a set of insert materials, one for each question, all related specifically to the learning content from Unit 5, which has a focus on marketing and promotion within travel and tourism.

Many of the Year 11 students have decided to carry on with Travel and Tourism in Year 12.

Year 10 & 11 Home Room Discussions

On Monday the 8th of March Ms. Carol Scott took some time out to speak to the Year 10 and 12's about 'The World of Work'.

The students are at an important stage in their lives: choosing and taking subjects that could impact their working career. Year 10 and 11 are taking IGCSE examinations and the marks that they receive could be a deciding factor in the University that they go to and the course that they take.

Ms. Scott discussed personal characteristics that could be useful for specific jobs. The students reflected upon their attributes and how these could help them in the working world.

Ms. Scott and the students will continue their discussion during Home Room next week.

You and the World of Work

Learning Objectives

Today we are going to explore the world of work:

- What type of jobs there are and the different qualities and abilities that are required.
- We are going to look at the different characteristics that enable us to work
- We will then match these characteristics to different types of jobs
- What type of work would you like to do when you leave school?
- Watch the You-Tube video: What type of job am I?

You and the World of Work

• Administrative Work

- An efficient organizer
- Neat and Methodical
- Good at spelling and punctuation
- Good with figures
- Good ICT skills
- Happy with routine

• Service Work

- Able to get on with other people
- Willing to be on your feet most of the time
- Prepared to wear some sort of uniform
- Good with figures
- Honest and reliable

• Creative Work

- Imaginative and articulate
- Artistic
- Creative

• Caring work

- Interested with people and their problems
- Patient and understanding
- Sympathetic and but firm-minded
- Able to remain calm in emergency

• Technical and Scientific Work

- Interested in problem solving
- Able to work in a team
- Practical and Methodical
- Good with numbers and calculations

• Construction Work

- Happy working outdoors
- Physically fit
- Able to remain calm in emergency situations

Cambridge International AS and A-Level Psychology Taster Class

Mr. Patrick Hasell gave the Year 11's a Psychology taster lesson on Monday. The students who are interested in taking Psychology for AS and A level gathered in his classroom at lunchtime.

Cambridge International AS and A-Level Psychology learners develop their appreciation of the subject by exploring the ways in which psychology is conducted. As part of their studies, learners also review important research; this provides an insight into the ways in which psychology has been applied, thereby leading to a better understanding of key approaches, research methods and issues and debates.

The syllabus reflects four core areas of psychology, namely biological, cognitive, learning and social; it also relates psychology to abnormality, consumer behaviour, health and organisations.

Chinese Teachers' Meeting

On Thursday, March 4th, Robert Yan, Deputy Principal of NBIS, hosted a meeting with all Chinese teachers. During the meeting, Mr. Robert spoke highly of all teachers' hard work and contribution in the past year. Mr. Robert also pointed out that all teachers should work collaboratively to promote school development, particularly in terms of the new campus. All teachers are motivated and encouraged to work more closely and now we are looking forward to moving into our own brand-new campus.

Books Donation from Mr. Chen Kewei

We'd like to thank Mr. Chen Kewei for his kindness and thoughtful donation to the NBIS Chinese Department. All the books about Ningbo Local Distinctive Culture will greatly help our students in learning Chinese Language & Culture and related activities! It has been a great honor to receive this gift from you!
