# NBIS 20th Anniversary Celebration

## *Celebrating Diversity and Embracing the Future*

From humble beginnings to a thriving international learning community, NBIS has journeyed through two transformative decades. The NBIS 20th Anniversary celebration served not only as a joyful gathering but also as a profound reflection on our shared mission, values, and growth alongside the vibrant city of Ningbo.

Starting with just 1 principal, 2 teachers, and 6 students, NBIS has grown to a school with over 520 students and more than 100 staff from more than 50 countries and regions. Over the years, it has provided high-quality international education to over 4,500 international children, guiding them on their learning journey and equipping them with essential knowledge and skills.

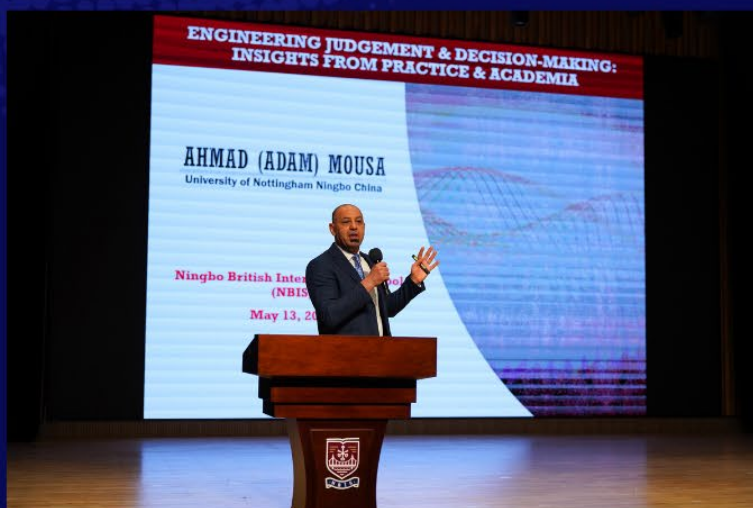

## A Walk Through Time | Photo Exhibition

The NBIS 20th Anniversary Exhibition became an emotional gathering spot. As students, teachers, and parents flipped through yearbooks and gazed at previous photos, long-forgotten memories resurfaced. Each image told a story—of laughter, of growth, and of development of NBIS. Having moved through 4 campuses, we take deep pride in what NBIS has become today.

## Inspired by Education Lecture

Students had the chance to attend an inspiring lecture by Dr Ahmad Mousa on Engineering Judgement and Decision-Making. From surveying sites and collecting soil samples to analysing geological data and designing structures like dams that safeguard communities, his examples brought the subject to life.

“Dr Ahmad mentioned that there is a lot of decision-making involved in engineering. Engineers must weigh facts, anticipate challenges, and adapt to unexpected changes — just like we do in our personal and academic lives. This idea resonated with me because civil engineering isn't just about math and physics; it's about creativity and responsibility. For the past year and a half, I've looked up to this field as something I'd like to pursue. After hearing him speak so passionately about the work I'm interested in, I'm more convinced than ever that this is the path for me. It requires both creativity and logic, and I genuinely think this is what I want to do.”

Francisca Galdames, Year 11B

### **A Grand Ceremony to Celebrate Together**

On May 15, NBIS campus was filled with joy and pride as students, parents, and staff gathered for the grand ceremony. Representatives from the Ningbo Municipal Education Bureau, Ningbo Foreign Experts Bureau, Ningbo National Hi-Tech Industrial Development Zone Administrative Committee, Ningbo Association of Foreign Investment Enterprises, Ningbo Association of Taiwan Investment Enterprises, and Zhejiang Wanli Education Group attended the celebration, joining NBIS students, parents, and staff in marking this special milestone.

The auditorium came alive with music, language, and applause. Parade, drama, music, ballet, shadow show and more—each a vibrant glimpse into the diverse and shining spirit of the NBIS community.

Mr Lin Liangfu, President of Zhejiang Wanli Education Group and Chairman of the NBIS Board, looked back on the school's founding and development, and shared his vision for the future:

“Our goal has always been to provide the highest quality international education for the children of expatriate families. By implementing the Cambridge curriculum and fostering a culture of unity, diversity, and excellence, we have built a vibrant community. As we embark on a new chapter, may we continue to serve as a bridge in the dialogue between Eastern and Western civilisations.”

During the anniversary celebration, Julia Hoferichter, a parent representative from Germany, delivered a touching speech that resonated deeply with the audience. With heartfelt words, she praised the rapid development of the city of Ningbo and expressed her family's deep appreciation for the educational philosophy of NBIS.

John Turner, the founding Executive Principal of NBIS, now 81 years old, travelled all the way from Australia to rejoin the celebration. He reflected with emotion: “It brings me great joy to see how the school has grown over the past two decades. In both staff development and educational standards, NBIS has made tremendous strides.”

## Carnival: A Festival of Family Fun

On Friday, the NBIS Family Carnival offered hands-on creative fun for students and parents. Botanical Print Lab, Miniature Food Fridge Magnet Booth, and Face Painting Corner were a hit. Teachers, students and parents collaborated joyfully, sharing laughter and creativity, and creating good memories for every participant.

## Gala Night: A Sparkling Night of Joy

Wishing tonight's Gala Night a joyful success! Let's come together to enjoy the music, dance, delicious food, and unforgettable moments. Let's Cheers to 20 wonderful years of NBIS — and to many more to come!

## Looking Ahead to the Next Chapter

Over the past two decades, NBIS has stayed true to its founding mission, rooted in diversity, grounded in academic excellence, and devoted to the growth of generations of international families. As we enter a new era, NBIS remains committed to the values of unity, diversity, and excellence, continuing to elevate educational standards and enrich its global story. Let us look forward to an even more brilliant decade ahead, together!

# ATHLETIC MEETING

NINGBO  
SPORTS  
LEAGUE

Last Sunday, May 11th, University of Nottingham hosted Athletics meeting for Ningbo Sports League. Traditionally, NBIS students were there and represented our school as well as they could. Despite exam time, many students arrived to showcase their fitness, skills and talent.

Event was a vibrant celebration of sportsmanship, teamwork and friendly competition.

Students competed in a variety of Track and Field events, including sprints and long runs, throw and jumping events. The energy was high as athletes cheered for each other while tried to win the highest prize for themselves.

Our students and pupils performed exceptionally well, earning several top finishes and showing a great spirit throughout the day.

# Nursery A

Ms Mia & Ms Gianna

This week, Nursery A children embarked on the topic of transportation, full of fun learning and activities. Over the week, our tiny drivers got up close with various land, water and air vehicles through games, crafts and role-playing activities - growing while laughing and playing!

**Car Tuff Tray:** This activity is able to improve children's hand-eye coordination and boost concentration, requiring children to focus, thereby improving their attention span. Meanwhile, it also develops the traffic safety awareness. They learned road safety, traffic signals, and responsible behaviour as pedestrians or future drivers.

## Early Years Section

**Name Train:** The children showed strong engagement and emerging literacy skills during this activity. While their letter formation and recognition are developing, the playful approach effectively fostered their interests in spelling. This foundation supports future reading and writing readiness.

**Number Formation Using Vehicles:** The children drove their favourite vehicle along the roads to learn how numbers are formed. They identified and used different vehicles and learned symbolic meanings of colours, too (green: go; red: stop; orange: slow down). Some of the children used their language to explain number paths.

# Primary Assembly

During this week's assembly, Year 5C took the lead in promoting online safety. The students gave several demonstrations on how to stay safe online, including the importance of using strong and secure passwords, thinking before posting, and not sharing personal information with people online. We also discussed digital footprints and why it is important to see the internet as both a wonderful and helpful tool—and one that must be used with care, as what we post online can last forever.

A big round of applause for the talented young athletes who gave their all at the NSL Athletics Meet! Your hard work, dedication, and fighting spirit have truly inspired us.

# HISTORY NEWSLETTER

Mr Chris Black

*Dwight Eisenhower's Order of  
the Day for D-Day  
(from [nationalarchives.gov.uk](http://nationalarchives.gov.uk))*

As our Year 10 historians continue their exploration of World War II, they are delving into two crucial theatres of the conflict: the dramatic D-Day landings and the liberation of Europe, and the gruelling Pacific Campaign with its Island-Hopping strategy. These pivotal events not only shaped the outcome of the war but also demonstrated the extraordinary courage and strategic ingenuity of those who fought.

On 6 June 1944, the Allies launched Operation Overlord, the largest seaborne invasion in history. Students have been examining the immense planning behind the operation, from the deception tactics of Operation Fortitude, which misled German forces about the invasion's location, to the landings themselves on the heavily defended shores of Omaha, Utah, Gold, Juno, and Sword. Beyond the landings, the class has explored how the success of D-Day opened the way for the liberation of Paris in August 1944 and the Allied advance into Germany.

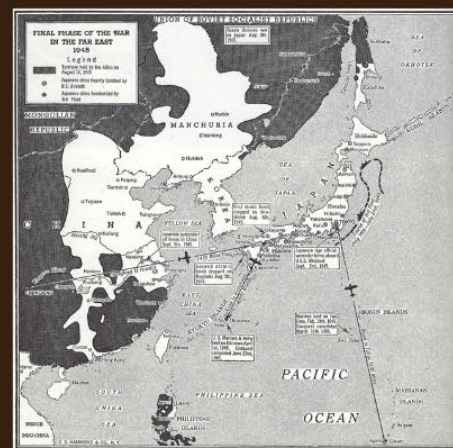

While Allied forces pushed through Europe, a different kind of war was being fought across the vast Pacific. Students have analysed brutal battles such as Guadalcanal, Iwo Jima, and Okinawa, where soldiers faced not only fierce resistance but also extreme terrain and weather. The use of kamikaze attacks by Japanese pilots highlighted the desperation of the conflict, while the eventual use of atomic bombs on Hiroshima and Nagasaki brought a controversial end to the war. These events have sparked thoughtful discussions about the ethics of warfare and the long-term consequences of military decisions.

Through their studies, our Year 10 historians are gaining a profound appreciation for the complexities of World War II—the strategies that turned the tide, the human cost of global conflict, and the enduring impact of these events on the modern world. As they continue to engage with primary sources and historical debates, they are developing not only their knowledge but also their critical thinking about the past and its relevance today.

<b>1</b>	<p><b>Recruitment update (PB)</b></p> <p>Discussion Points:</p> <p>Completion of Recruitment for 2025-26: The recruitment process for the upcoming academic year is now complete, with the exception of one remaining position for a Boarding Supervisor.</p> <p>Staffing Increases: There has been a significant increase in staffing levels to accommodate the expanded number of classes.</p> <p>New Positions:</p> <p>Introduction of a Guidance Counsellor.</p> <p>Addition of a Primary PE Teacher.</p> <p>Recruitment of a full-time International Homeroom Teacher for all Early Years classes.</p>
<b>2</b>	<p><b>CIS (PB)</b></p> <ul style="list-style-type: none"><li>• Agenda Item: Council of International Schools (CIS)</li><li>• Objective: To outline the steps involved in CIS accreditation and the timeline for the various tasks which must be completed.</li><li>• Timeline: The plan is to finalize the agreement by March 2026.</li><li>• Steps of the CIS:</li></ul>

	<ul style="list-style-type: none"><li>• <b>Survey:</b> Conduct a comprehensive survey to gather data and insights from relevant stakeholders. This step is crucial for understanding the current state and identifying areas for improvement.</li><li>• <b>Rating:</b> Analyze the survey results and assign ratings to various aspects of the system. This quantitative assessment will help prioritize areas that require immediate attention.</li><li>• <b>Reflection:</b> Engage in a reflective process to evaluate the findings from the survey and ratings. This step encourages critical thinking and discussion among team members to understand the implications of the data.</li><li>• <b>Evidence:</b> Collect and present evidence that supports the findings and reflections. This may include case studies, performance metrics, and other relevant documentation that substantiates the need for improvement.</li><li>• <b>Summary Report:</b> Compile a summary report that encapsulates the findings, reflections, and evidence. <b>3</b>	<p><b>UNNC Update (PB)</b></p> <p>The international principal informed members that the partner school contract agreement with UNNC is currently under review with revised terms and conditions to be agreed.</p>
<b>4</b>	<p><b>Safety Letter + Government Reporting (PB)</b></p> <p>Overview: It is imperative for our school to collect signed safety letters from parents, confirming their awareness of the safety measures and incident prevention protocols for the upcoming summer.</p> <p>Current Status: At NBiS, we have only achieved a return rate of 60-70% for these safety letters, in contrast to national schools, which have successfully attained a 100% return rate. This discrepancy underscores the need for enhanced engagement with our families regarding this critical matter.</p> <p><u>Call to Action:</u> We would like to emphasize the importance of this initiative and seek the continued support of our families to ensure that all safety letters are signed and returned promptly.</p>

	<p>Proposed Actions:</p> <p>Continue distributing printed copies of the safety letter to all families.</p> <p>Encourage students to remind their parents to sign and return the letters. Teachers may consider awarding house points to students who successfully bring back the signed forms.</p> <p>Further incentivize participation by offering a small reward to the first classes that achieve a 100% return rate of signed safety letters.</p> <p>Your cooperation in this matter is greatly appreciated as we work together to ensure the safety and well-being of our students.</p>
<b>5</b>	<p><b>Gala Dinner Updates (DF/JH)</b></p> <p>Over 190 persons took their tickets to celebrate 20th of anniversary</p> <p>A big thanks to the sponsors and Team in charge of.</p>
<b>6</b>	<p><b>Food committee</b></p> <ul style="list-style-type: none"><li>• Incident Review: A thorough investigation was conducted regarding the recent incident where several students reported feeling unwell. It has been confirmed that the symptoms were not linked to spoiled or contaminated food.</li><li>• Summer Kitchen Enhancements: As part of our ongoing commitment to food safety and quality, school will be implementing structural changes in the kitchen for the summer season. These enhancements will include improved food protection measures, and the installation of a new heating system designed to prevent burns.</li></ul>
